

Getting it right the first time

Affordable infection
testing, fast results

Jane was tested on Monday, treated on Tuesday, and she's back to doing what she loves today!

**Your provider has ordered laboratory testing through HealthTrackRx.
The laboratory will bill for services separately from your office visit.
If you receive a bill and have questions, **please DO NOT call your provider's office.****

NATIONWIDE COVERAGE

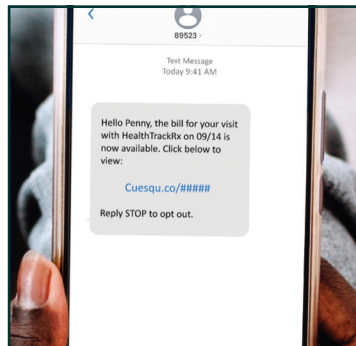

Laboratory testing is covered by most insurance companies, including Medicare and Medicaid.

FINANCIAL ASSISTANCE

Compassionate billing practices including payment plans, prompt pay discounts, and financial hardship considerations available.

PAYMENT OPTIONS

*Pay online, by text, or by mobile –
Paying your bill is fast and easy!
(An Explanation of Benefits (EOB) is not a bill; please wait until a statement arrives)*
